**NOTICE OF PROPOSED AWARD**

PON-08-010

**American Recovery and Reinvestment Act of 2009 Cost Share
Alternative and Renewable Fuel and Vehicle Technology Program
Transportation Electrification**

On April 22, 2009, the California Energy Commission released a solicitation entitled "American Recovery and Reinvestment Act of 2009 Cost Share: Alternative and Renewable Fuel and Vehicle Technology Program." The Energy Commission proposes to award funding to the projects listed below, which received federal awards in response to the U.S. Department of Energy's American Recovery and Reinvestment Act of 2009 (ARRA) Transportation Electrification Funding Opportunity Announcement. In accordance with the solicitation, the Energy Commission may only issue awards to projects that received an award from the federal government.

The award amounts listed below represent an estimate of the amount of funding that the Energy Commission may award to each recipient. Final award amounts may vary significantly from the amounts listed below. The Energy Commission will determine final award amounts after discussions with each proposed award recipient. Factors the Energy Commission may consider include, but are not limited to, the amount of funding received from the U.S. Department of Energy, eligibility and budget for each part of the final proposed scope of work, and the amount of funding required to allow the project to proceed as described in the proposed recipient's final proposal.

Proposed Recipient:	Nissan Electric Vehicle Demonstration and Vehicle Infrastructure Evaluation Electric Transportation Electrification Corporation 430 South 2nd Avenue Phoenix, AZ 85003
Estimated Amount:	\$8,000,000
Score:	80.9%
Proposed Recipient:	Charging Infrastructure for Plug-In Hybrids and Electric Vehicle Demonstration with General Motors Sacramento Municipal Utility District 6301 "S" Street, MS A-204 Sacramento, CA 95852
